Explanatory notes on the resolutions at the 2025 AGM of Nuformix Plc

Resolutions 1-9 will be proposed as ordinary resolutions requiring the approval of more than 50% of the votes cast at the meeting and Resolutions 10-12 will be proposed as special resolutions requiring the approval of at least 75% of the votes cast at the meeting.

Annual Report and Accounts (Resolution 1)

Company law requires the Directors to present the annual report and accounts of the Company to shareholders in respect of each financial year.

Remuneration Policy (Resolution 2)

Shareholders are being asked to approve the Remuneration Policy as set out on pages 24 to 26 of the annual financial report, which takes effect immediately after the end of the AGM. Shareholders are being asked to give a binding vote on the revised Directors' Remuneration Policy at the 2024 AGM.

Remuneration Report (Resolution 3)

The Remuneration Report is set out on pages 22 to 23 of the annual financial report. It gives details of the Directors' remuneration for the year ended 30 September 2024. The vote is advisory and does not affect the actual remuneration paid to any individual Director.

Re-election of Directors (Resolutions 4 to 6)

The Company's articles of association provide for each director to retire from office at the third annual general meeting after the AGM at which he/she was previously appointed or reappointed. However, in line with the recommendations set out in the UK Corporate Governance Code, all Directors will be standing down and offering themselves for re-election by shareholders at this year's AGM.

Reappointment of the auditor and authorise the Board to determine their remuneration (Resolutions 7 and 8)

The Company is required to appoint an auditor at each general meeting at which accounts are laid before the members, to hold office until the conclusion of the next such meeting. Resolution 7 is for members to reappoint Kreston Reeves LLP as auditors of the Company and resolution 8 proposes that shareholders authorise the Board to determine the remuneration of the auditors. In practice, the audit committee will consider the audit fees and recommend them to the Board.

Authority to Allot Shares (Resolution 9)

The Directors may allot or grant rights over ordinary shares only if authorised to do so by a resolution of shareholders. Resolution 9 seeks a new authority under section 551 of the Companies Act 2006 to authorise the Directors to allot shares or grant rights to subscribe for, or convert any security into, shares in the Company. It will expire at the conclusion of next year's AGM or, if earlier, 15 months from the passing of this Resolution. Paragraph (a) of resolution 9 would give the Directors authority to allot shares or grant rights to subscribe for, or convert any security into, shares ("**Rights**") up to a maximum nominal amount of **£414,769.79, representing approximately one third of the Company's existing issued share capital as at 13 February 2025**, being the latest practicable date before the publication of this Notice. This maximum is reduced by the nominal amount of shares allotted or Rights granted pursuant to paragraph (b) of resolution 9 in excess of **£414,769.79**. Paragraph (b) of resolution 9 gives the Directors authority to allot shares or grant Rights in connection with a rights issue only up to a maximum nominal amount of **£829,539.58 representing approximately two-thirds of the Company's existing issued share capital**. This maximum is reduced by the nominal amount of shares allotted or Rights granted pursuant to paragraph (a) of resolution 9. Therefore, the maximum nominal amount of shares allotted or Rights granted under resolution 9 is **£829,539.58**, representing approximately two-thirds of the Company's existing issued share capital.

Disapplication of Pre-Emption Rights (Resolution 10)

If the Directors wish to allot any shares or grant rights over shares or sell treasury shares for cash (other than under an employee share scheme) they are required by the Companies Act 2006 to offer them to existing shareholders pro rata. Accordingly, Resolution 10 provides for the disapplication of preemption rights on 20 per cent. of the Company's ordinary share capital on an unrestricted basis.

If passed, Resolution 10 will enable the Directors to allot equity securities for cash without having to comply with statutory pre-emption rights, but this power will be limited to allotments: under Resolution 10, in connection with a rights issue, open offer or other pre-emptive offer to ordinary Shareholders and holders of other equity securities as required by the rights of those securities or as the Directors otherwise consider necessary, but (in accordance with normal practice) subject to such exclusions or other arrangements as the Directors may deem necessary or expedient; up to an aggregate nominal amount of **£166,930.93 (which represents approximately (but not more than) 20 per cent. of the issued ordinary share capital of the Company as at 13 February 2025** being the latest practicable date before the publication of this Notice. If Resolutions 9 is passed, the Directors' authority will expire on the earlier of 15 months from the date of passing of this Resolution or the conclusion of the annual general meeting of the Company in 2025 and permits the Board to allot and issue shares (or sell shares from treasury) after expiry of the disapplication if it has agreed to do so beforehand.

Directors' Authority to Purchase Shares (Resolution 11)

The Company may wish to purchase its own shares and resolution 11 seeks authority to do so. If passed, the Company would be authorised to make market purchases up to a total of **166,930,937 shares – approximately ten per cent of the Company's issued ordinary share capital (as at 13 February 2025**, being the latest practicable date prior to the publication of this Notice). The Directors will generally only exercise this power when the effect of such purchases is expected to increase earnings per share and will be in the best interests of shareholders generally. Shares purchased may be cancelled and the number in issue will be reduced accordingly. The Company may hold in treasury any of its own shares that it purchases in this manner. The authority will expire at the conclusion of next year's AGM or, if earlier, 15 months from the passing of this Resolution.

Notice of General Meetings (Resolution 12)

The purpose of resolution 12 is to allow the Company to continue to call general meetings (other than AGMs) on not less than 14 clear days' notice. The Directors do not expect to use this power unless urgent action is required on the part of the shareholders. If resolution 12 is passed, the approval will be effective until the Company's next AGM when it is expected that a similar resolution will be proposed. It should be noted that, in order to be able to call a general meeting on less than 21 clear days' notice, the Company must make a means of electronic voting available to all shareholders for that meeting.
